OPEN COURSES

FUNDED BY COUNTY WEXFORD CHAMBER SKILLNET

Higher Certificate in Hospitality Management Studies – 35% Funded

Schedule: Starting September Annually

This is a two-year day release course in Hospitality Management Studies which provides opportunities for individuals who wish to pursue a career in management in the hospitality industry. It is aimed at complementing the practical experience gained by individuals working in the industry, with an academic focus in college.

Qualification: Higher Certificate, progression opportunities into Higher Diploma

Institution: TU Dublin

Delivery: Online with 2 evenings a month on campus in Dublin

Emerging Hospitality Managers Management Development Programme

Schedule: May/September/November

This 5-week Programme will provide emerging and/or new managers with the skills and knowledge to significantly improve people management skills and develop and deploy proven business disciplines such as think and act collaboratively with fellow managers for the overall benefit of the hotel and the full team. The programme consists of 5 modules.

Qualification: QQI Level 5 Team working Skills

Institution: LEAP Leadership

Delivery: Online with 3 weekly 90 minute sessions for 5 weeks

FUNDED BY RESTAURANT & HOSPITALITY SKILLNET

Standard Operating Procedures for Food & Beverage (up to 10 staff)

Delivery: eLearning completed at any time

Duration: Approx. 6 hours

Accreditation: Restaurant & Hospitality Skillnet Certificate of Completion

The eLearning Standard Operating Procedures training programme is suitable for those who are working in or are new to the restaurant/hospitality setting and are looking upskill in the standard operating procedures.

Professional Kitchen Management

Delivery: Online, run monthly pending demand

Duration: 1 day

Designed by chefs for chefs and/or owner managers, this one-day intensive workshop will guide you through all areas of kitchen management fundamentals.

By the end of this course, learners will be able:

1. To know how to effectively price and design profitable menus
2. To understand wastage, tax and margin pricing
3. To understand the different allergens
4. To calculate labour cost effectiveness

Applying Lean in Food & Beverage

Delivery: Online, run monthly pending demand

Duration: 3 hours

This webinar will give the participants a good basic understanding of how LEAN and Six Sigma can be applied in a food and beverage setting. Throughout this webinar learners will be provided with many practical examples which they can implement within the business.

We are constantly adding to our training schedule.

[IN-COMPANY TRAINING]

Both Networks offer funding and support in developing and delivering tailored training programmes to meet the upskilling needs for your business and are intended to improve the overall performance and productivity of your workforce.

In-company training programmes can take a variety of forms, such as classroom-based training, on-the-job training, mentoring or coaching, e-learning, workshops, and seminars. The content of the training programme will depend on the needs of the business and the level of the employees. The topics can range from technical skills to soft skills, such as communication, teamwork, and leadership.

THE MOST COMMON IN-COMPANY TRAINING PROGRAMMES REQUESTED

Practical Food and Beverage Skills

Customer Service Excellence

Accommodation Techniques

Skills Coaching for Managers

Reception Skills

Supervisory Skills

Emotional Intelligence for Leaders
